Attention Eagle Scouts

Have you done all there is to do at the troop level? Are you ready to step up to the next level?

Then it is time to join the District Staff Venture crew. Be a part of the excitement and give back what you have been given all at the same time.

If you are an Eagle Scout or just turned 18 and still wants to enjoy Scouting then this is for you.

Even if you are still a very big part of your troop and want more out of Scouting. You can do both.

Become a member of the Staff Venture Crew and help run all the great CLT District Events, both Cub Scout and Boy Scout events, year round.

Help with the planning, preparation, judging, set up, and be a part of all the fun from the other side of Scouting.

We will be finishing past events, preparing today's events and planning for future events all at the same time.

Ever thought " Gee I wish we could have done this? " Well now you can,

We will be meeting twice a month to prepare for all the events. If you can't make all of them, that is all right there are plenty more

Join us and be a part of the Future of this Great District, **Chief Lenape Trails Rocks!!!!!!!**
