Pioneering, Camping, Cooking,

Merit Badges, Scout Skills, & Fun

Pioneering structures are to be some kind of an interactive structure

This is not a competition it is to be a fun skills building event & then go and try other troop's structures & have fun meeting scouts from other units (There will be height restrictions)

Up to 5 Merit badges will be offered in the afternoon,

Along with a historical trails service project for the national Park

Cast Iron Chef Contests

We will have our own Iron chef's competition

One competition for the scouts & one for the leaders/adults

Complete with a secret ingredient

(Secret ingredient will be announced ahead so that you can bring it with you)

And of course your pantry (patrol box) should be well stocked

Camping will be on the River Raisin National battlefield, unit trailer can be left in camp all other vehicles must be moved to the designated parking area. Unit rosters will need to be turned in at check in.
